SUMMARY

I completed my undergraduate degree in Computer Engineering at Tokat Gaziosmanpaşa University. I have experience in web and mobile application development, software engineering, database management, and Geographic Information Systems (GIS). During my internship at İZSU, I carried out data analysis, SQL queries, and map-based reporting tasks. I am a self-motivated engineer who is eager to learn, thinks analytically, and works well in a team.

EXPERIENCE

Computer Engineering Intern

July 2024 – September 2024

İzmir Water and Sewerage Administration (İZSU) | Balçova, İzmir

- Conducted data review and analysis using ODAGIS, ODAGIS Admin, and İZSU CABS systems
- Created layers with QGIS and GeoServer; edited XML/SDL files; performed object queries and symbol adjustments; prepared and delivered database documentation and presentations
- Actively contributed to tasks such as retrieving XML-based data from web services, writing procedures, and processing data with advanced Excel functions

Volunteer Game Designer

August 2025 – Present

Piri Academy Istanbul, Turkey | Remote

- Created and completed Game Design Documents (GDD)
- Contributed to UI/UX design processes
- Developed and proposed mini-game ideas
- Planned and organized game flow

EDUCATION

Çiğli Teğmen Ali Rıza Akıncı Anatolian High School

Graduation Year : 2020

GPA: 83,12/ 100

Tokat Gaziosmanpaşa University

September 2021– June 2025

Bsc in Computer Engineering

GPA: 86,62/ 100

TECHNICAL SKILLS

Programming Languages: Python (TensorFlow, Keras, Scikit-learn), Java, JavaScript, C#, SQL, PHP

Database Technologies: MySQL, PostgreSQL, SQL Server

Mobile & Web Development: Android Studio, ASP.NET, HTML, CSS

Tools & Technologies: Git & GitHub, Figma, Visual Studio Code, Unity, Anaconda, MS Office

Competencies: Web & mobile application development, data analysis & modeling, machine learning & deep learning applications, software development processes, project management, teamwork, knowledge engineering

LANGUAGES

Turkish: Native

English: B2 (Upper - Intermediate)

German: A1 – (Beginner)

CERTIFICATES

- BTK Academy** – Git and GitHub
- BTK Academy** – Cyber Security
- BTK Academy** – Microsoft Excel Basics
- Women in Tech 2024** – Inspiring Women Stories
